

# HMS Caroline Sensory Explorers Checklist

This checklist will help you explore different parts of the ship

Once you've visited an area you can tick it off the list

Good Luck!

## Finding Your Way...

**Historic Spaces:** The historic spaces on HMS Caroline include the Captain's Quarters, Marines' Mess and Engine Rooms, as well as the very important Bathroom Flat, Sick Bay and Galley. All of these spaces have been recreated to look as they did in 1916, the year that Caroline was part of one of the largest naval battles in history – the Battle of Jutland.

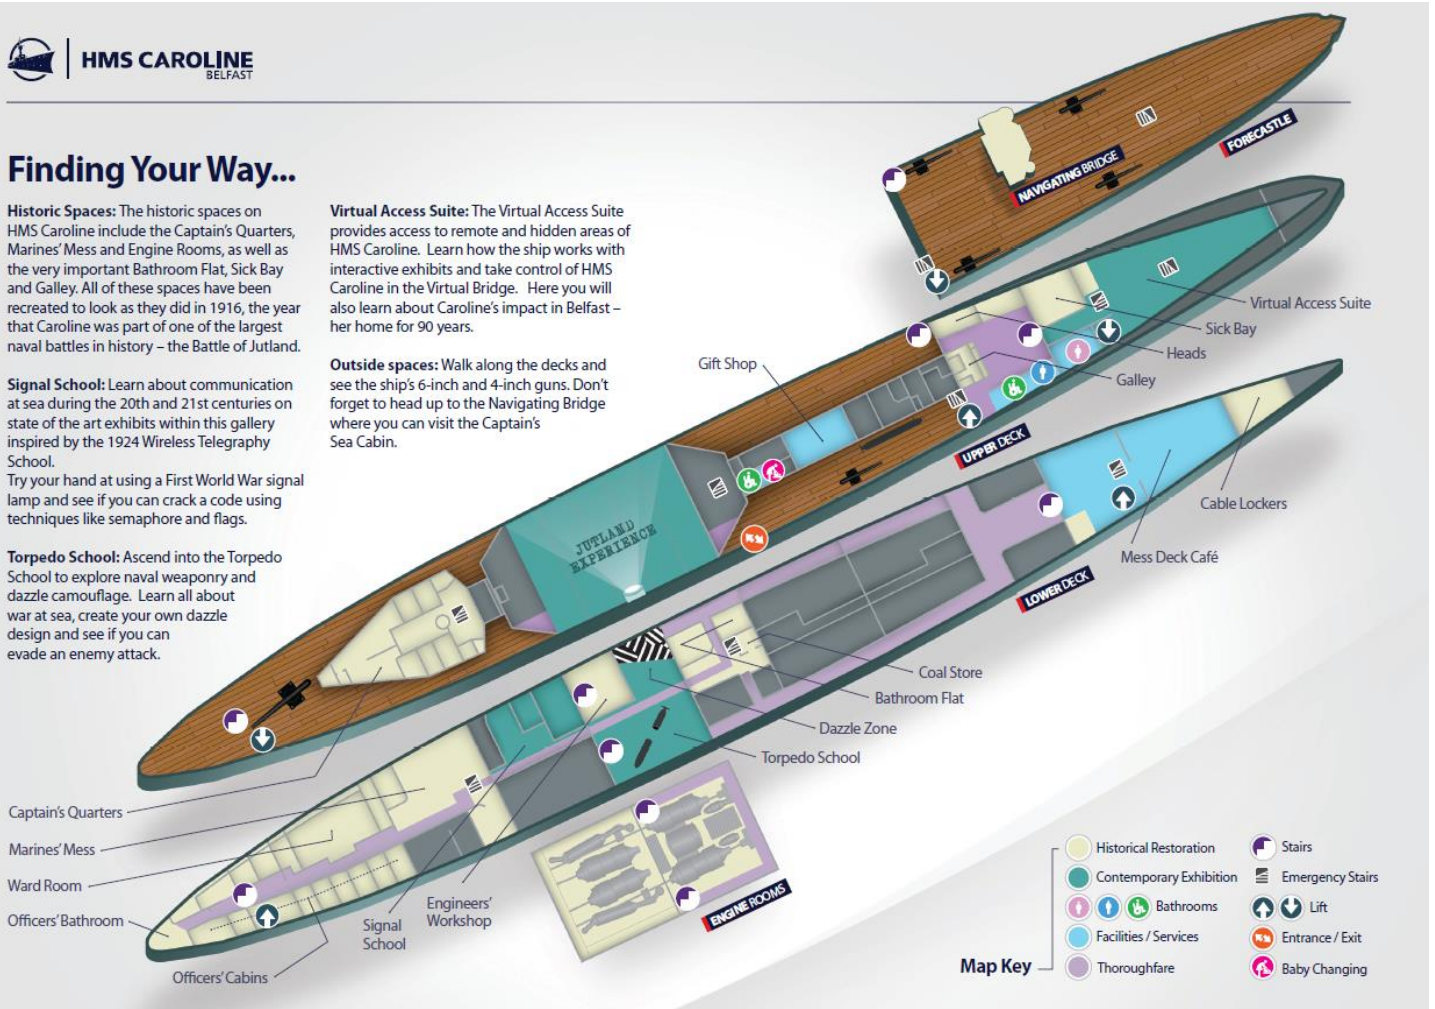

**Signal School:** Learn about communication at sea during the 20th and 21st centuries on state of the art exhibits within this gallery inspired by the 1924 Wireless Telegraphy School.

Try your hand at using a First World War signal lamp and see if you can crack a code using techniques like semaphore and flags.

**Torpedo School:** Ascend into the Torpedo School to explore naval weaponry and dazzle camouflage. Learn all about war at sea, create your own dazzle design and see if you can evade an enemy attack.

**Virtual Access Suite:** The Virtual Access Suite provides access to remote and hidden areas of HMS Caroline. Learn how the ship works with interactive exhibits and take control of HMS Caroline in the Virtual Bridge. Here you will also learn about Caroline's impact in Belfast – her home for 90 years.

**Outside spaces:** Walk along the decks and see the ship's 6-inch and 4-inch guns. Don't forget to head up to the Navigating Bridge where you can visit the Captain's Sea Cabin.

1. Captain's Quarters

2. Upper Deck

3. Officer's Cabins

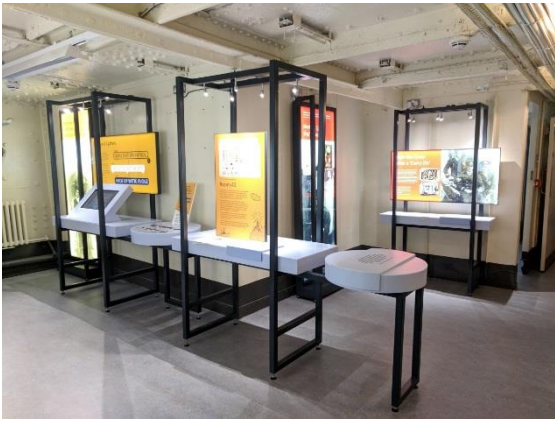

4. Ward Room

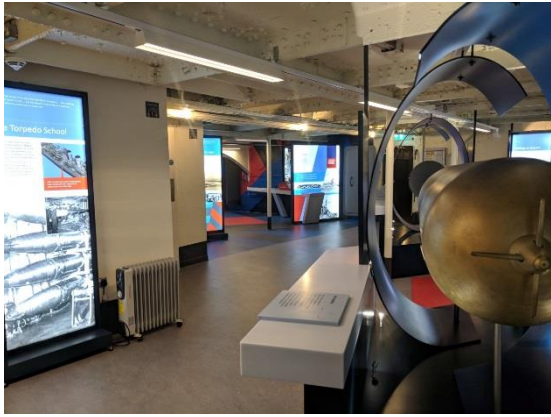

5. Marine's Mess

6.Signal School

7.Torpedo School

8.Virtual Access Suite
